### Video Producer/Writer

For a wide range of media programs, from live productions to fast-paced, web-based newscasts. Ideal candidate has a background in corporate video production and/or broadcast news, and can write, produce, manage crews, talent, clients and budgets.

upbrandcollaborativejobs@gmail.com

### Art Director

Hot young branding and marketing shop is looking for the next hot designer to add to our team. Ideal candidates have a broad background in design for all media, and the ability to work in a variety of styles. We want to see a book that includes original brand development and smart design.

### Chief Operating Officer

This senior-level position will be responsible for the leadership, rapid development, and profitable operation of this fast-growing video/web enterprise. Ideal candidate will have a minimum of 15 years of progressive business leadership experience in a high-growth communications company.

### Account Manager

Experienced account manager with an ad agency/PR/marketing background to lead internal production teams and serve as the client service liaison to Fortune 500 clients. Excellent communication skills and the ability to manage multiple teams and projects are a must.

### Brand Manager

Experience in agency account management is required. We're looking for a strategic thinker, team leader, client advocate, and a manager who has demonstrated success in helping clients develop brand strategies and complete marketing campaigns.

### Web Designer/Developer

Front-end web development (HTML, CSS, and basic JavaScript) plus experience utilizing Dreamweaver, Flash, Illustrator, Photoshop, and Fireworks (our day-to-day tools), and solid graphic design sensibilities. A proficiency in streaming media is required.

### Event Producer

Looking for a rock star with 3-5 years experience in planning and executing major business meetings, event marketing programs and special events. This position requires working with C-level executives in a fast-paced, creative industry. Experience in direct client service required.

## Collaboration<sup>3</sup>

Three companies. One focus.

CPG, UPBrand, and Vidzu are a family of sister companies dedicated to bringing brands to life at every touchpoint.
